

Establishment of Remote Sensing
Application Centre in the State
of Maharashtra.

GOVERNMENT OF MAHARASHTRA
Planning Department,
Resolution No. R32-1000/PL-1/MIG-11
Maharalaya, Bombay-400 032,

Date: 18th January, 1983.

RESOLUTION:

The question of establishing a Remote Sensing Application Centre in the State has been under consideration of Government for sometime past. With a view to deriving benefits, which will be available from the satellite information based on remote sensing data, for the various development activities in different disciplines in the State, it has now been decided by the Government to establish a Remote Sensing Application Centre at Nagpur during 1988-89. It will function as an autonomous body formed under the Societies Registration Act, 1860 on the lines of Maharashtra Institute of Development Administration, Pune. The centre will function under the administrative control of Planning Department, Maharashtra.

2. The question of creation of necessary technical and non-technical staff, providing equipment and other supporting facilities at the aforesaid Centre is being examined separately in consultation with the Finance Deptt and W.P. orders therefore will be issued separately.

By order and in the name of the Governor of Maharashtra,

Sd/-
(Asoko Baski)
Secretary & Additional Development
Commissioner, Planning Department.
